Description	The environment offers us innumerable benefits that we cannot repay throughout our lives. Since they are connected with the forest, the trees, the animals, the water and the air. The forest and trees filter the air and absorb harmful gases. Plants purify water, reduce the chances of flooding, maintain the natural balance, and much more. One of the best reasons to enter an essay contest in environmental day celebration is to enhance in depth awareness about environment protection among students.

Day & Date:	Monday, 27/02/2023
Time:	2.00 PM-3.00PM
Venue:	RMDIPER class room
Description	<p>Every year on February 27th, Maharashtra states in India mark Marathi Language Day. The state legislature has set rules for this day. The occasion marks the birthday of illustrious Marathi Senior Poet Kusumagraj. VV Shirwadkar i.e. Kusumagraj has significantly influenced Maharashtra's cultural landscape, and he has worked tirelessly to promote Marathi as a scientific language. The Maharashtra government decided to honour the mother tongue and Kusumagraj's memory by declaring his birthday "Marathi Language Pride Day". The Marathi Bhasha Din is a day marked to celebrate the heritage of Marathi. Marathi, as a language, also helped the people of Maharashtra unite behind Chhatrapati Shivaji Maharaj when he rose to fight the atrocities of the Mughal rule.</p> <p>In our institute we celebrated this "Marathi Bhasha Din" by conducting the Poem recitation competition. Students participated enthusiastically in the event and read the poem written by Poet Kusumagraj. About 18 students participated in the competition. Following students are the winner of the competition:</p> <ol style="list-style-type: none"> First Winner: Ms. Anushka Kale (Final Y. Activity Report

Activity(CULTURAL)	International Women's Day
Day & Date:	Wednesday, 08/03/2023
Time:	3.30 pm to 4.30pm
Venue:	RMDIPER, Chinchwad, Pune
Description:	<p>Every March 8th, the world recognizes International Women's Day</p> <p>This beautiful creation of the God! The angel on the earth makes our life a wonderful experience all together. Imagining life without a woman is quite hard-hitting. This angel shakes the cradle with one hand the earth with the other hand. The fact that all the great people of the world are born from the womb of a woman and it is a woman from whom those great people have taken their initial teachings. And that is the reason we have always emphasized upon giving the due respect to women in their life. And that is why women's day is celebrated with so much of zeal and it has spread throughout the world</p> <p>International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. This year also "International Women's Day" was celebrated with huge enthusiasm and respect towards the womens. All ladies teaching and non-teaching staff members were felicitated by Principal Dr. S. G. Walode. He appreciated the contribution of the ladies in the building the healthy environment in education work culture. Ladies faculties also expressed their views. With cake cutting by the hands of laboratory attendant the women's day was celebrated happily.</p>
