## STUDENTS UNDERTAKING INDUSTRIAL VISIT

## A INDUSTRIAL VISIT TO NATIONAL AIDS RESEARCH INSTITUTE, PUNE

In the early nineties it became evident that HIV was spreading widely in the country and the national efforts for its containment required multi-disciplinary research involving virology, immunology, microbiology, clinical research, epidemiology, field based trials and socio behavioral investigations. Knowledge about such deadly disease exclusively to HIV/AIDS research is important to pharmacy students. In view of this on the occasion of science day Rasiklal M. Dhariwal Institute of Pharmaceutical Education and Research, Chinchwad, Pune on Monday February 28/02/2023

organized visit to National AIDS Research Institute Bhosari, Pune. This visit was mainly focused to understand the procedures involved how our research in NARI evolved and especially in the areas of surveillance, capacity building, laboratory services and drug resistance studies. Owing to the pandemic all students were excited to know how NARI helped during Covid 19 vaccination development. We reach to our destination at 10.30 am, all were welcome by faculty of NARI. Initially we have been informed and guided about the basic information of institute thereafter students were splits into three groups. Each and every institute's research activities were guided by a Scientific Advisory Committee which includes eminent scientists from varied disciplines of NARI. Technical team explained about the facilities available inside the centre, their methods of operating. Students had chance to see the most expensive instruments available with the institute and learning experience about the maintenance of equipment and ethics considered during actual practice. Overall visit helped us in understanding the actual practical aspects of virology and immunology.

This Industrial visit will helpful in our students future practical Life & bring a positive change in their thinking & practical behaviour regarding Education & specializing technical skills. The visit ended by expressing our sincere gratitude to all scientist of NARI for making this visit remarkable. The total 59 students from third year B-Pharm of SJVPM's Rasiklal M. Dhariwal Institute of Pharmaceutical Education and Research, Chinchwad, Pune with three teaching faculty members were visited to National AIDS Research Institute. Dr. Sameer H. Lakade coordinated the event along with teaching faculty Mr. Raghunath. P Raut and Mr. Dhiraj Pankhe.

**HERBAL GARDEN VISIT REPORT**

<b>Activity (Field Visit)</b>	<b>Report on Herbal Garden Visit for B. pharm Second Year students</b>
<b>Day &amp; Date</b>	Monday 13/03/2023
<b>Time</b>	10.00AM-1.00PM
<b>Venue</b>	"PDEA's College of Ayurved and Research center Pradhikaran, Nigdi, Pune
<b>Description</b>	<p>A Herbal garden visit was organized to "PDEA's College of Ayurved and Research center Pradhikaran, Nigdi, Pune on 13th March 2023 for second year B. Pharm students.</p> <p>58 (Fifty eight) students and two teachers visited the site. The aim was to show the students to acquire the knowledge of traditional systems of medicine and provide valuable opportunity to expand their knowledge in the field of holistic healing.</p> <p>Dr. Yogini Kulkarni, Dr. Ila Bhore, Dr. Lad Madam, Dr. Jitendra Tapaswi showed various medicinal plants maintained in the herbal plant section of the site and highlighted their importance, usefulness, and significance to the students and teachers. They also encouraged students to disseminate medicinal plant-related information to other students of the college. The students and the teachers all enjoyed the visit and found it informative and useful.</p> <p><b>Importance of some herbs with their medicinal values</b></p> <ul style="list-style-type: none"><li>• Herbs such as black pepper, cinnamon, myrrh, aloe, sandalwood, ginseng, red clove, burdock, bayberry, and safflower are used to heal wounds, sores and boils.</li><li>• Some herbs are also having antibiotic properties. Turmeric is useful in inhibiting the growth of germs, harmful microbes and bacteria. Turmeric is widely used as a home remedy to heal cut and wounds.</li><li>• Ginger and cloves are used in certain cough syrups. They are known for their expectorant property, which promotes the thinning and ejection of mucus from the lungs, trachea and bronchi. Eucalyptus, Cardamom, Wild cherry and cloves are also expectorants.</li></ul>
<b>Participation</b>	58 students (B. pharm S.Y.) 02 staff members (Dr. Shweta P. Ghode and Mrs. Harshada H. Puranik)
<b>Outcome</b>	These herbal products are today being the symbol of safety in contrast to the synthetic drugs, that are regarded as unsafe to human being and environment. Although herbs had been priced for their medicinal, flavouring and aromatic qualities for centuries, the synthetic products of the modern age surpassed their importance, for a while. However, the blind dependence on synthetics is over and people are returning to the naturals with hope of safety and security. It's time to promote students globally.

Res. Sir / Madam,

The Herbal Garden visit was organized at P.D.E.A's, College of Ayurveda & Research Centre, Pradhikaran, Nigdi, Pune-44 on 13/03/2023 for the S. Y. Students of Rasiklal M. Dhariwal Institute of Pharmaceutical Education and Research, Chinchwad, Pune-19.

Almost <sup>58</sup> students were present during the visit. The aim of Herbal Garden visit was to show the students regarding proper methods for managing medicinal plants in a garden and to provide information on plants that could be suitable for their gardens and for any pathological diseases. Students and teachers also came to know that importance, usefulness, and significance of different species of plants. The students and the teachers all enjoyed the visit and found it informative and useful.

I wish you a great luck with all their future projects and look forward to meeting soon.

Thanking you !

Yours sincerely,

**(Dr. Mrs. Ragini R. Patil)**

Respected Madam,

As above cited subject, we Rasiklal M. Dhariwal Institute of Pharmaceutical Education and Research, Chinchwad, Pune would like to visit your college to acquire the knowledge of traditional systems of medicine for B. Pharmacy students.

As a part of curriculum requirement we are planning for a visit of our B. Pharmacy second-year students with the count of 70. This visit will provide a valuable opportunity to expand their knowledge in the field of Ayurveda.

I would be grateful for allowing us to visit the college.

Waiting for your positive response.

Thanking you.
