<b>Venue</b>	SJVPM's Rasiklal M. Dhariwal Institute of Pharmaceutical Education and Research, Chinchwad, Pune - 19
<b>Description</b>	World Environment Day is celebrated annually on June 5 to encourage awareness and action for the protection of the environment. This day created a platform to raise awareness that the world is facing problems such as air pollution, plastic pollution and global warming. The purpose of planting trees is to save the endangered environment and beautify our lives. Trees are precious gifts from nature. The idea behind the tree planting in college campus was to spread the message that planting trees helps maintain a clean and green environment, reduces pollution and improves the green environment.
<b>Outcome</b>	Development of Awareness about tree plantation.

<b>Description</b>	The environment offers us innumerable benefits that we cannot repay throughout our lives. Since they are connected with the forest, the trees, the animals, the water and the air. The forest and trees filter the air and absorb harmful gases. Plants purify water, reduce the chances of flooding, maintain the natural balance, and much more. One of the best reasons to enter an essay contest in environmental day celebration is to enhance in depth awareness about environment protection among students.

<b>Activity</b>	<b>One Day Seminar</b>
<b>Day &amp; Date</b>	<b>24<sup>th</sup> September 2022</b>
<b>Time</b>	<b>10.30 am to 5.00pm</b>
<b>Venue</b>	<b>Online</b>
<b>Description</b>	<p>A one day seminar on "Science of Mind" was organized for B-Pharmacy students on 24<sup>th</sup> September 2022 under Training and Placement Cell (T &amp; PC) &amp; Institution's Innovation Council (IIC) of Shri Jain Vidya Prasarak Mandal's Rasiklal M. Dhariwal Institute of Pharmaceutical Education and Research, Chinchwad, Pune. The guest speaker Mr Kush Chaturvedi (Director, AKI Learning skill India Pvt Ltd) was invited to conduct the seminar. The chief purpose of the seminar was to motivate the students towards building their career and to make them aware about mind programming in achieving their goals of life. It is found that each and every student needs motivation and constant boosting for achieving their goal, and it is very important that the counseling and motivation should be done timely. Keeping the context in mind, the seminar was an initiative to enlighten our students for molding their career towards right direction. The program was inaugurated by lighting a lamp in front of goddess Saraswati's idol. The campus director Mr. Khandu Khillari felicitated Chief Guest Mr. Kush Chaturvedi, Dr. Sanjay G. Walode (Principal) felicitated Mrs. Tina Boruha and other dignitaries on the dais. The speaker of the programme mainly focus and trained our students how to use our best weapon i.e. "BRAIN and MIND" to concentrate and to elevate our thinking process. He well define science has only recently taken aim at understanding how the mind shifts between external events and internal thoughts and feelings unrelated to the goings on around it along with that relation between cognitive and noncognitive states of mind. The total 165 students and 25 teaching of Rasiklal M. Dhariwal Institute of Pharmaceutical Education and Research (B-Pharm), Rasiklal M. Dhariwal college of Pharmacy(D-Pharm),</p>
